Lakeview Clinic Welcomes Two New Physicians to Expand Access to Care

WACONIA, MN — Lakeview Clinic is pleased to announce the addition of two new physicians to its medical team in late August. Laura Bowman, MD, specializing in Obstetrics and Gynecology (OB/GYN), and Alex Mangan, MD, specializing in Family Medicine, will both begin seeing patients in September, 2026.

Dr. Laura Bowman joins Lakeview Clinic's robust OB/GYN team, where she will provide advanced, personalized care tailored specifically to women's unique health journeys. Her practice will cover routine wellness exams, prenatal and pregnancy care, and specialized gynecological treatments. Dr. Bowman will see patients at both the Chaska and Waconia clinic locations.

Dr. Alex Mangan will join the Family Medicine department, operating out of the Chaska location. Dr. Mangan's practice focuses on full-spectrum family medicine, delivering dedicated, preventative, and acute medical care to patients of all ages, from infants to seniors. Lakeview Clinic's Family Medicine providers serve as the cornerstone for household wellness, managing chronic conditions and promoting lifelong healthy habits.

"We are thrilled to welcome Dr. Bowman and Dr. Mangan to our care team," said Lakeview President, Dr. Sandra Beulke. "Our mission has always been to deliver excellent, compassionate care close to home. Bringing these two talented doctors on board allows us to meet the growing demand for healthcare in Chaska, Waconia, and our neighboring towns."

Both physicians are currently accepting appointments for September. For more details regarding their medical backgrounds, training, and care philosophies, please visit the official provider profiles on the Lakeview Clinic website. www.lakeviewclinic.com/providers
